The Master's Check List

The following list is provided to you so that your drop off and pick up is effortless. Non-compliance with any of the listed items will prohibit your dog from attending the Howl-A-Day Inn.

1. Dogs must have collars and be leashed at all times to and from the car
2. ID tags with Dog's first and last name and contact phone number must be legible and accurate
3. Food/Medicine labeled with first and last name
4. Give us a heads up if your dog is not feeling well
5. Vaccinations - Please check to be sure that your dog is up to date on all three (3) of the required shots (especially if you haven't been with us recently):
 - Rabies
 - Bordatella
 - Distemper
6. TICK & FLEA TREATMENT - All dogs must be on a preventative treatment. We suggest applying before bedtime or over a weekend so that it has had a chance to work into your dog's coat as it can be harmful to the other dogs
7. Tell us if someone other than you will be picking up your dog
